

# 10MM DIAMETER RODS

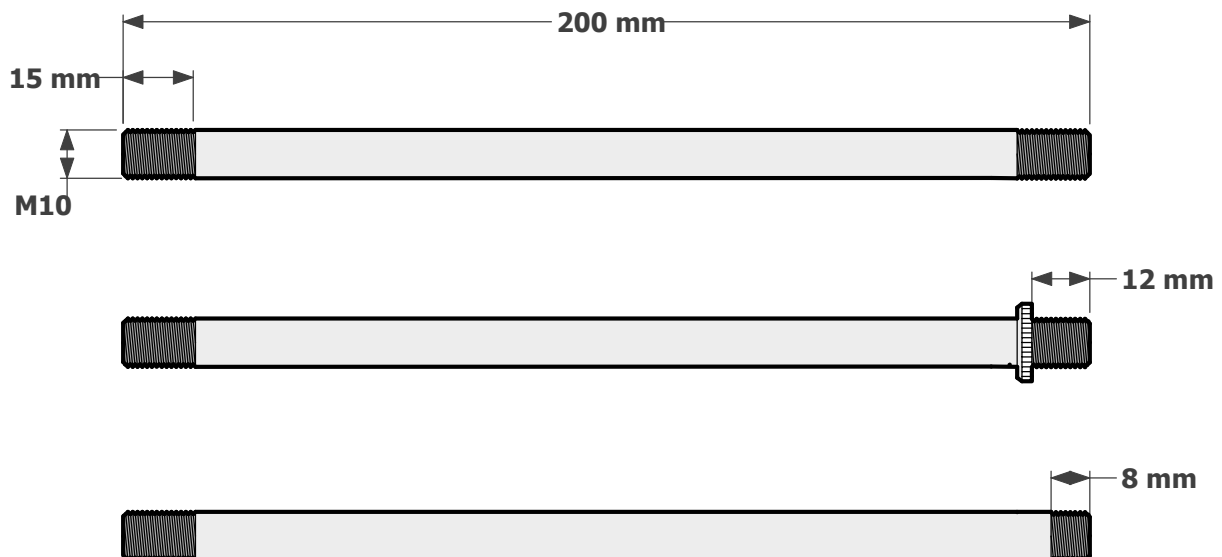

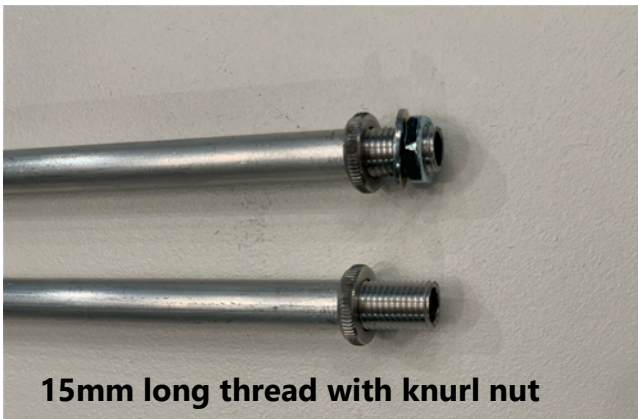

## CUSTOMISING YOUR 10MM DIAMETER ROD

The 10mm diameter rod comes standard with two 15mm long M10 x 1mm pitch threaded ends, with a nut and washer on each rod. The rod length is measured in total including any threads. The thread lengths can be adjusted to suit the application of the rod. A knurl nut can be fitted if the rod is to be attached to a ceiling canopy. The 10mm diameter rod is available in BRASS and COPPER or can be finished in an extensive number of powder coats and specialised finishes.
