

# DOTTI 300 PENDANT

## CREATING YOUR OWN CUSTOM DOTTI 300 PENDANT

The Dotti 300 pendant comes standard in aluminium with a 80mm diameter ceiling canopy and a 1 metre PVC flex. It is supplied with a 200mm long rod to support the glass although this can be made to any length. The Dotti 300 has the option of a shallow glass cover or a half sphere cover that can be supplied in brass or made to order in copper with the matching ceiling canopy. The 300mm diameter suede white glass has a 120mm diameter opening suitable for a larger E27 globe. Elettra has a complete selection of ceiling canopies to choose from and various fabric cables available if you would prefer. The Dotti pendant can be powder coated and finished to your specifications.
