

VECTOR FLUSH WALL LIGHT

CUSTOMISING YOUR VECTOR FLUSH WALL LIGHT

The Vector Flush wall up light comes standard with a standard steel shield which can also be completed in any powder coat or a brushed finish. The main reflector for both the Large and Mini Vector can be made to order in brass or copper and completed to suit each project. The Large Vector is supplied with a 13watt linear LED while the Mini Vector is supplied with a 13watt module LED.
